- 1.4. **Permitted and Prohibited Uses.**
  - a. **Use for Educational, Non-Commercial Purposes Only.** Subscriber and its Users may use the Service(s) and the Content for bona fide educational and research purposes only.   - b. **Downloading of Content.** Users may download Content for noncommercial instructional use, including for lesson plans, copies of (i) images and (ii) videos and video clips designated on the website as downloadable. Under no circumstances may a User convert the Content from digital to analog format, such as by recording a video clip onto a DVD. Violation of this Section 1.4(c) may constitute copyright infringement. User must maintain all copyright, trademark and proprietary notices included with, attached to or embedded in all editable videos and video clips without modification, obstruction or deletion. Discovery and its content providers are not responsible for the content or accuracy of the revision.”

d. **Dissemination of Content.** In the course of using any Content as permitted hereunder, Subscriber and its Users shall not move, upload, transmit, export, or otherwise make any portion of the Content available outside of the Discovery Education environment without Discovery’s prior written consent. This includes, without limitation, providing access to or hosting the Content on any third-party platform or assessment system. At the conclusion of the Term, or upon revocation of any third-party platform permission, Subscriber shall ensure that all Content (including copies or derivatives) is permanently deleted from such platforms. Discovery reserves the right to require written certification of such deletion. Under no circumstances may the Content be used to train or develop AI systems, whether for commercial or non-commercial purposes. Discovery disclaims all liability related to third-party platforms and assumes no responsibility for their compliance. In addition, any Subscriber or User using the Local Host support option must use the Service(s), rather than a local directory, to search for and access the Content.

e. **Prohibited Uses.** Except as expressly set forth herein, neither Subscriber nor the Users may (i) copy, reproduce, alter, modify, transmit, perform, create derivative works of, publish, sub-license, resell or allow resale through a third-party, distribute, or circulate the Service(s), the Content, or any portion thereof; (ii) disassemble, decompile, or reverse engineer the Service(s) or any portion thereof, or use a robot, spider, or any similar device to copy or catalog the Content or any portion thereof; (iii) take any actions, whether intentional or unintentional, that may circumvent, disable, damage or impair the Service(s)’s or the Content’s control or security systems, nor allow or assist a third party to do so; (iv) upload or transmit harassing, libelous, harmful, obscene, or otherwise unlawful material; or (v) use the Content in a manner that disparages the Service(s), the Content or Discovery or its content providers, or in any manner that Discovery

may, in its sole discretion, deem inappropriate. Subscriber and the Users acknowledge and agree that the Service(s) and the Content possess a special, unique and extraordinary character that makes difficult the assessment of the monetary damages that would be sustained as a result of unauthorized use, and that unauthorized use may cause immediate and irreparable damage to Discovery for which Discovery would not have an adequate remedy at law. Therefore, Subscriber agrees that, in the event of such unauthorized use, in addition to such other legal and equitable rights and remedies as may be available to Discovery, Discovery shall be entitled to seek injunctive and other equitable relief without the necessity of proving damages or furnishing a bond or other security.

f. **Credentials.** Each User shall have a valid username, password, passcode, and in certain circumstances, IP authentication, for the purpose of accessing the Service(s) and the Content (the “**Log-In Information**”). Subscriber and its Users must keep all Log-In Information strictly confidential, and all Log-In Information may be used only by the assigned User. Subscriber and its Users are responsible for maintaining the security and confidentiality of all Log-In Information, and for preventing access to the Service(s) and/or the Content by unauthorized persons using a User’s Log-In Information. Unauthorized access to or use of the Service(s) and/or the Content by someone using a User’s Log-In information may be attributed to such User and is prohibited by these Standard Terms. Subscriber acknowledges that Discovery may require access to Subscriber’s systems in order to perform single sign-on integration services to facilitate User access to the Service(s) and Content. Subscriber hereby grants to Discovery a limited license to access such systems.

g. **Join Activity via an Access Code.** Authorized educator Users may provide an alphanumeric access code or URL link generated by the Services to their student Users to join a lesson, activity, or assessment as an alternative to the student Users accessing a lesson, activity, or assessment via the student User’s Log-In Information. Any such audit may include, but is not limited to, Discovery’s examination of the number of Users using the Services, details of log-in attempts and use of the Log-In Information.
