

EXPERIENCE

Your Implementation Checklist: A Roadmap to **Success**

Welcome, School Leaders! Use this **30-60-90 Day Implementation Checklist** to guide you through key tasks to set everyone up for success with Discovery Education *Experience*.

THE FIRST 30 DAYS

Easy Steps to Get Started

- ☐ Before the first day of teaching, set up Discovery Education accounts to empower educators and spark curiosity in learners.
 - Explore available [Discovery Education integrations](#)
 - Access Help Center Articles on [integrations & access](#), [bulk upload](#), or [manual account creation](#).
 - [SSO and LMS Request Form](#)

For general support, [connect with the Support Team](#).

- ☐ Log in and discover how *Experience* enriches teaching and engages students.
Need help logging in? Explore these [Logging In FAQs](#).

- ☐ Introduce your teachers to *Experience*, their trusted classroom companion that seamlessly integrates into instruction.
 - Easily communicate the news with this customizable [Teacher Announcement Email Template](#).
 - Quickly empower teachers to use *Experience* in their classes with this [15-minute Experience Micro-Training](#).

- ☐ Being a curious learner takes place in and out of school. Use this customizable [Family Announcement Email](#) to introduce *Experience* to families for access to high-quality, real-world content at home.

30-60 DAYS

Quick Ways to Dive In

- ☐ Encourage inactive teachers to [log in](#) and improve their *Experience* skills with free [Interactive Courses](#) and to [connect with other passionate educators in the DEN](#).
- ☐ Kickstart your [Insights Dashboard](#) experience to quickly access key metrics, trends, and summaries to enhance educational strategies and outcomes.
 - [Insights Dashboard: Quick Start Guide](#)
 - [Insights Dashboard: Frequently Asked Questions](#)

- ☐ Draw on your Insights Dashboard data to strategically create a [Professional Learning plan](#) that empower your teachers.

60-90 DAYS

Immediate Steps to Monitor Progress

- ☐ Observe detailed *Experience* usage by your teachers and students via the **Account Overview Report**, **Account Resource Usage Report**, and **Assessment Interactions Report**.
- ☐ Leverage your **Insights Dashboard** data to create a [Professional Learning plan](#) that meets the needs of your teachers.
