EDUCATION

Your Implementation Checklist:

Welcome, Teachers! *Social Studies Techbook* offers an engaging, real-world curriculum that excites students to solve problems. Use this **30-60-90 Day Implementation Checklist** to navigate tasks and ensure success for you and your students.

THE FIRST 30 DAYS
Easy Steps to Get Started

☐ Before students explore the stories, institutions, lands, and cultures that enrich our world, log into your *Social Studies Techbook* account and make sure your classes are set up.

☐ Access your 15-minute *Social Studies Techbook* Interactive Course to deepen your understanding and enhance your skills.

☐ Introduce *Social Studies Techbook* to your students and check that everyone can log in to this curiosity-driven curriculum

☐ Share with families that you are using *Social Studies Techbook* in your classroom this year to drive inquiry.

- Family Announcement Email (EN/ES)
- Student Log-in Flyer (EN/ES)

☐ Assign captivating content that helps students understand the past and encourages them to question the present.

30–60 DAYS
Quick Ways to Dive In

☐ Use integrated teacher supports to streamline lesson prep and delivery, enhancing student engagement and improving learning outcomes.

☐ Empower students with the right tools that support their unique learning needs, like: *Interactive Text, Interactive Glossary, Adjustable Reading Levels, and Multiple Language Settings*.

☐ As your students investigate and learn, use the Quiz tool to check for understanding in low pressure, engaging ways.

☐ Grab short, just-in-time professional learning resources that are actionable and relevant to your day-to-day.

60–90 DAYS
Supporting and Promoting Growth
